From the Desk of Shirley

Dear Friends,

As you know one parent of EACH child in the league is required to work the snack stand at least one game during the season including pre-season. Part of registration will be to indicate your preferred dates. I am looking for a GAME DAY Committee to be available EVERY home game. It will consist of 1 person from each football and cheerleading squad during their game. I depend on the volunteers to show up to fulfill their commitment in order to have a successful snack stand program.

Also, I intend for this to be my last season as the Snack Stand Coordinator. I take great pride in how this program is run and would enjoy the opportunity to work with the person who is to succeed me. Therefore, if you or someone you know may be interested in taking over, I would be very happy to discuss all the duties and responsibilities with you.

If you are interested or have any questions, feel free to contact me at 440-7081.
Shirley Marsh
